

NATURESTAND

— AUSTRALIAN MADE —

METALTEX
AUSTRALIA PTY LTD

NATURESTAND

A minimalistic, stylish and timeless look suitable for every professional or residential environment. Designed with small footprint and strong stability in mind, Naturestand does not require drilling in walls and can be repositioned to taste.

MATERIAL

All steel construction.

FINISH

Powdercoated matt black.

SIZE

1800mm x 400mm base x 250mm top.

ORIGIN

100% Australian made.

250

A technical diagram of a metal frame. It consists of a vertical post and two horizontal bars. One horizontal bar is at the top, extending to the right from the post. The other horizontal bar is at the bottom, extending to the left from the post. The vertical post is on the right side. The dimensions are indicated by white text: '250' for the height and '400' for the width.
